 Hetal Sheth

Hetal has about 15 years' extensive experience in dealing with various domestic and multi-national banks, financial institutions and non-banking finance companies in the practice of Banking & Finance, Project Finance and Construction Finance.

Hetal has gathered experience in advising on lease rental discounting matters, syndication transaction, consortium transactions, real estate financing, debt restructuring under various schemes of RBI. She also has exposure in providing opinions to various clients on banking and corporate laws.

Hetal has been involved in various project finance deals negotiation, preparation of multi-party documentation for infrastructure projects including power, port, mining and road projects etc., conducting legal due diligence and assisting in project advisory work.

Her extensive experience also includes dealing with commercial contracts vis. Master Service Agreements, Data Sharing Agreements, Marketing Agreements, Vendor Agreements, Evaluation Agreements etc.

Additionally, Hetal is involved in developing the data protection practice for the firm. She has guided various clients on requirements under the new law viz. Digital Personal Data Protection Act, 2023.

Outside of her professional endeavors, Hetal enjoys listening to music and traveling.
