 Ashish Kumar

Ashish practices in the fields of corporate commercial advisory and dispute resolution. He has been educated and worked both in India and the USA. He is the head of the “Japan Desk” of the Firm, which takes care of the Firm’s Japanese practice, and is a member of the Board of Advisors of Sub Hirohama Corporation, Japan.

Ashish represents and advises clients in practice areas relating to commercial contracts and government tenders, consumer disputes, the environment, and real estate, among others. His participation is also actively solicited by clients in strategy discussions and negotiations.

His clientele includes domestic and international clients and covers a wide range of sectors, including real estate and infrastructure, banks and financial institutions, railways, state governments and government institutions, authorities, etc. He regularly advises on various commercial documentation, apart from representing clients before the Supreme Court of India and various other judicial and quasi-judicial fora.

Formally, the Additional Advocate General for the Government of Rajasthan, Ashish, represented and defended the interests of the state before the Supreme Court of India and the High Court of Delhi.

Selected professional and business activities include:

40 Under 40 Recognised Lawyer (2022) by BW Legal World; Member of the Board of Advisors of Sub Hirohama Corporation, Japan; Former Additional Advocate General in Supreme Court for State of Rajasthan; and Former Member: World Economic Forum’s Global Shapers Community, New Delhi

Ashish is passionate about technology, automobiles, AI, and space science. He believes in humanitarian practices and actively helps those in need.
