 Rajesh Nautiyal

With over 20 years of experience, Rajesh specializes in Real Estate Practice and has advised various Developers and Lenders on complex and extensive range of real estate transactions.

Rajesh is proficient in handling legal issues relating to revenue, and has an in-depth knowledge of revenue laws applicable across various regions of North India. He has carried out title due diligence for various projects/lands ranging from developments projects, residential, commercial, and agricultural land. He has considerable expertise in drafting sale deeds, lease deeds and other such transaction related documents.

Prior to joining SNG and Partners, Rajesh had a vast experience in the area of dispute resolution. He regularly appeared before various courts (civil and commercial) and tribunals. He had represented clients in civil suits relating to commercial and residential property, and other such cases involving legal issues related to revenue.
